Verse 1

Have you got color in your cheeks?

D'you ever get that fear that you can't shift, the type that sticks around, like

sommats in your teeth?

Have some aces up your sleeve?

Have you no idea that you're in deep?

I've dreamt about you nearly

every night this week.

How many secrets can you keep?

'Cause there's this tune I found that makes me think of you somehow, and I

play it on repeat,

Until I fall asleep,

spilling drinks on my seti.

Do I

Chorus 1A

wanna know,

If this feeling flows both ways, Sad to see you go,

I was rather hoping that you'd stay.

Darling,

we both know,

that the nights were mainly made for sayin' things that you can't say tomorrow day.

Crawling back to

Chorus 1B (Crash Cymbal)

35 
 you. Ever thought of call- ing when you've had a few? 'Cause I always do. Maybe I'm

39 
 too busy being yours to fall for somebody new, now I've thought it through. Crawling back to

Verse 2

43 
 you. So have you got the guts? Been wonderin' if your heart's still open, and if so I wanna

47 
 know what time it shuts? Simmer down and pucker up, I'm sorry to interrupt, it's just I'm constantly on the cusp, of

51 
 Try- ing to kiss you, But I don't know if you feel the same as I do

55 
 But we could be together, if you wanted to, Do I

Chorus 2A
